

REMARKS

Claims 5-12 and 15-33 are pending in the application. Claims 5-7, 9, 11, 12, 15-33 are rejected by the Examiner. Claims 8 and 10 are objected to by the Examiner. The drawings have not been acknowledged. Applicants file this paper to ensure that all claims are presented with the proper claim amendments and identifiers.

In reply to the final office action, Applicants proposed amendments to claims 5 and 10, which presumably put those two claims in condition for allowance. Applicants also proposed amendments to claim 18. However, the Advisory Action stated that claims 18-26 were not clearly allowable. In reply to the Advisory Action, Applicant in the Nov. 16, 2006 reply canceled claims 8 and 18-26. However, in the Nov. 16, 2006 Reply, it appears that claims 5 and 10 were shown as if the claim amendments had been entered, which may not be accurate. Accordingly, in this paper, claims 5 and 10 are shown with the proper identifiers and with the amendments shown.

Applicant believes that all claims are now in condition for allowance.

CONCLUSION

For all the foregoing reasons, Applicant submits that the application is in a condition for allowance. A **three-month Petition for extension of time is believed due for this paper. Applicant submits a Petition for a two-month extension of time, as Applicant previously submitted a one month extension of time on November 6, 2006.** The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account No. **02-0429(274-30699-US).**

Respectfully submitted,

Dated: January 5, 2007
